Sports Waiver and Release of Liability **Read before signing**

In consideration for being allowed to participate in Delta Township's youth sports program, related events, and activities, the Participant and his or her parent or legal guardian acknowledge and agree as follows:

1. The risk of injury from athletic activities involved in this program is significant, including the potential for permanent paralysis and death, and while particular rules, equipment, and personal discipline may reduce that risk, the risk of serious injury does exist.
2. Participant and his or her parent or legal guardian knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the Township or others, and assume full responsibility for the Participant's participation.
3. The Township recommends that each Participant consult with a physician before participating in athletic activities. Participant and his or her parent or legal guardian agree that Participant will not exercise or participate in athletic activities in a manner contrary to the advice of his or her physician.
4. Participant and his or her parent or legal guardian willingly agree that Participant shall comply with the stated and customary terms and conditions for participation. Participant and his or her parent or legal guardian further agree that Participant's use of the Township's property, equipment, and facilities shall comply with established and posted rules, as well as staff directives. Participation in the Township's athletic programs, including use of athletic equipment and facilities, is not permitted by unregistered participants unless prior written approval is granted by the Township. Participant and his or her parent or legal guardian willingly agree to report: (1) any unregistered participants; and (2) any violations of established rules, staff directives, or posted rules to a Township official. Additionally, Participant and his or her parent or legal guardian agree to report any unusual hazard witnessed during the Participant's presence or participation to a Township official.
5. Participant and his or her parent or legal guardian willingly agree that the Township shall not be liable for any loss, breakage, or theft of personal property that occurs in connection with athletic program participation.
6. In the event of an emergency, Participant and his or her legal guardian authorize Township officials to secure from any licensed hospital, physician, and/or medical personnel, any treatment deemed necessary for Participant's immediate care. Participant's legal guardian agrees that he or she will be responsible to pay for any and all medical services rendered.
7. It is the intention of the Participant and his or her parent or legal guardian, by signing below, to expressly assume all risk of personal injury, death, or property damage upon him/herself, to the exclusion of the Township. Participant and his or her parent or legal guardian release the Township from liability for personal injury, property damage, or wrongful death.
8. Participant and his or her parent or legal guardian further agree that his/her spouse, assignees, heirs, guardians, and legal representatives (if any) will not make any claim against, sue, or attach the property of the Township for any loss or damage resulting from Participant's involvement in the Township's athletic program.
9. Participant and his or her parent or legal guardian are aware that this agreement is a release of liability and therefore is a waiver of the Participant's and his or her parent or legal guardian's legal right to collect damages in the event of injury, death, or property damage.
10. Participant and his or her parent or legal guardian sign this agreement of his or her own free will, in consideration for the Participant's right to participate in the Township's youth sports program.
