How do you advertise?

Your name and sponsorship level will be included on the Community Awards page of the Township's website, included in social media posts about the event, appear in the Township's monthly e-Newsletter "Talk of the Township," and on promotional fliers for the event. Additionally, signage recognizing our sponsors will be displayed during the event and will also be highlighted in the event program. Gold, Platinum, and Diamond sponsors will be included in print or digital media ads and mentioned in interviews that are given.

What are sponsor donations used for?

There are many ways that donations are used directly related to the Community Awards reception. The Young Person of the Year award is presented to a local high school senior, and the recipient receives a scholarship to continue their education beyond high school and sponsor donations cover this cost.

Other donations are used toward the expenses of the reception including refreshments, flowers, publicity, printing expenses, awards, etc.
