The Delta Township Parks and Recreation Department will make every effort to make the diamonds available for practice by the first week in April. Field playability is largely dependent upon the weather. This department will make the early season determination on a day-by-day basis and this information will be available on the rainout number 323-8550 after 4:30 p.m. When fields are deemed unplayable by this department TEAMS MUST STAY OFF THE ENTIRE FIELD. Any team found ignoring this request will not be allowed to make reservations for the remainder of the year.
