| Title: | Household Hazardous Waste |
| Adoption Date: | October 15, 1990 |
| Revision Date: | |

General Purpose: That the household hazardous waste products of Delta Township will be coordinated with other units of government where possible.

Summary Statement of Policy: A policy that defines the handling of household hazardous waste either by recycling or disposal.

Actual Policy as written:

1. Delta Township's household hazardous waste programs will be coordinated with other units of government where possible.
2. Reuse of household products will be the primary goal.
3. Non-reusable household products shall be recycled wherever possible.
4. Non-recyclable products shall be disposed of in an appropriate manner.
