Department: Engineering Department

Expiration Date: January 31, 2022

Pay Grade: PT 05

Title: Engineering Intern

Salary: \$15.28/hour

The Delta Township Engineering Department is looking for students pursuing education in civil or environmental engineering, construction management or land surveying for the role of engineering department intern. A self-motivated individual, with willingness to learn a variety of skills, able to work independently or with others and willingness to work outdoors and/or on active construction sites is required. Experience or classes in surveying, civil engineering, construction inspection or the use of computer aided drafting (CAD) or geographic information systems (GIS) software is helpful, but not required.

This position will be responsible for assisting Engineering Department staff with construction inspection for sidewalk and non-motorized pathway repairs, sidewalk and non-motorized pathway condition inventories, GIS system maintenance and mapping, and water and sanitary sewer construction inspection and as-built drawing development. The position may also assist with a wide range of township projects involving wastewater collection and treatment, water distribution and township park facilities, as assigned by the Township Engineer.

The anticipated start date for this position is approximately March 1, 2022. There is no pre-determined end date for this position and employment could be continuous over multiple years.

Work hours are flexible, between the hours of 8:00 a.m. – 5:00 p.m., Monday through Friday, however, a minimum of 12 hours per week is desired when school is in session and a minimum of 32 hours (up to 40 hours) per week during the summer.

Applicants interested in applying for this position should submit a resume, cover letter and current college transcripts to: Linda F. Wells, Manager's Office, Delta Township, 7710 W. Saginaw Hwy. Lansing, MI 48917 lwells@deltami.gov.
