PERPETUAL CARE

All burial spaces purchased in Delta Township Cemeteries after May 1, 1986, include the provision for perpetual care and such care is made a part and condition of each sale.

Thirty five percent (35%) of the purchase price of each burial space is placed in the Perpetual Care Fund, an endowment administered by the Township, from which the interest only shall be applied to the costs of cemetery maintenance and operation. This perpetual care includes the mowing and trimming of cemeteries at reasonable intervals, the seasonal cleaning of leaves and other debris and the re-grading and seeding of graves. It therefore provides all the essential requirements of a well-kept cemetery without further expense to the lot owner. Additionally, the Perpetual Care Fund may be used for improvement and development within the cemeteries as deemed necessary by the Commission for the good of the Township Cemeteries.

Owners of burial space purchased before May 1, 1986 may assure that their spaces are included in perpetual care by contributing an amount equal to the current perpetual care portion of the purchase price of burial space. All burial space ownership transfers, except parent to children or grandchildren, will be required to pay the Perpetual Care fee at the time of the transfer.

Additional care and maintenance beyond that listed above, such as flower and shrubbery planting and care, will
