

EATON COUNTY DOG LICENSES

An Eaton County dog license is required for all dogs four months or older. Licensing your dog provides good pet identification, ensures dogs are vaccinated for rabies, and proves you are its owner.

You should apply for a new license or renew your annual license beginning December 1. Proof of rabies vaccination and spayed or neutered (if applicable) from a certified veterinarian is required.

Dog license fees are:

\$15 for sexed male or female dogs
(not spayed or neutered)

\$10 for unsexed male or female dogs
(spayed or neutered)

\$30 All licenses after May 31 (delinquent)

Failure to license a dog is a civil infraction that can carry fines of \$75 to \$500.

Lost Tags

The Eaton County Treasurer's office will replace lost tags without cost if a current license receipt and a sworn statement that the tag is lost is provided.
